

The Workshops

Lungeing is an important tool for the training of any horse no matter what the job he or she will have. In the *2 day lungeing workshop* you will learn in detail the theory and praxis of lungeing. We will discuss and practice the use of the equipment (incl. different side reins), body language and lungeing techniques. You can bring your own horse or practice with our experienced horses.

The NARHA approved *3 day Interactive Vaulting workshop* is a preparation for the instructor who would like to start or teach in an Interactive Vaulting Program. It consists of hands-on experiences (lungeing, vaulting, games) and theory in a well balanced combination. Participants will learn about selecting and training a suitable vaulting horse, choosing appropriate equipment and incorporating appropriate movement games and barrel work and putting it all together for a successful Interactive Vaulting session.

Even though the vaulting workshop will allow for time to practice your lungeing skills it is recommended to attend the first workshop if you are not experienced in lungeing with side reins.

Fair Tide Farm is located in Newcastle, ME, about 50 miles northeast of Portland. The mid coast area is known as one of the most beautiful vacation spots.

Closest airports are Portland, ME, Manchester, NH and Boston, MA . Lodging is available close to the farm in different categories. Please let us now if you need help with travel and/or lodging arrangements.

Gisela Rhodes, holds a Master's Degree in Education. She is a NARHA Advanced Instructor, a Centered Riding® Instructor Level 1 and a German certified Lungeing and Vaulting Instructor. She is the Chair of the NARHA Vaulting committee and a board member of the Equine Facilitated Mental Health Association.

Boaz D'Or, is a NARHA Master Instructor and a member of the NARHA Vaulting Committee. He apprenticed in Germany and is trained in Classical Dressage.

The lungeing workshop will start Sept 2 at 8 am and ends Sunday, Sept 3rd at 5 pm. The Interactive Vaulting workshop will start Sept 8, 8 am and ends Sunday, Sept 10 at 5 pm.

Cancellations received in writing 30 days before the course will be refunded minus a \$ 50 processing fee. Later cancellations will not be refunded. If the course is not held for any reason, Special Equestrian's liability is limited to the registration fee.
