

Fair Tide Farm

The farm is located in Newcastle, Maine about 50 miles northeast of Portland on coastal Route One. The midcoast area is known as one of the most beautiful vacation spots and offers many recreational activities.

Our herd consists of selected horses that have proven themselves in many situations. They are well trained, alert and responsive.

The horses enjoy each other's company on acres of pasture, and during the winter months live in an historic barn, renovated to its old glory.

Gisela H. Rhodes

Gisela, involved with horses all her life, started vaulting and riding as a child in her native Germany. While riding as a youngster, Gisela observed many benefits of the therapeutic riding technique. She fulfilled her dream of implementing her own therapeutic riding program at White Oak Farm, MA, a boarding and lesson facility she founded together with her husband Vernon.

Gisela with Johann

Now, living in Newcastle, Maine, she concentrates on Interactive Vaulting lessons and workshops. Her goal is to provide a safe, fun filled environment where humans and horses can learn and stretch beyond their own imaginations.

Gisela holds a Master's Degree in Education. She is a NARHA Advanced and a German certified Vaulting Instructor as well as a Centered Riding Instructor Level 1. She is the chair of the NARHA Vaulting Committee and a board member of the Equine Facilitated Mental Health Association. She has presented at numerous national and international conferences.
